AUTOMOTIVE SPECIALIST

The EMC is accepting applications for an ***Automotive Sales Specialist***. The candidate would lead the EMC's newest Automotive Vertical product in the Ottawa Valley and along the Seaway. The ideal candidate would have an understanding of the Automotive industry, be web savvy, have a proven sales track record and be excited with the idea of launching and developing a new product. Candidates would also benefit from having excellent communication skills, and being comfortable making sales presentations to new and existing customers. Being able to operate independently in a fast paced environment and being result oriented are expected.

We offer a competitive compensation package including a base salary plus commission, full benefits, and the opportunity to join an exciting team within a fast growing company.

Please email your resume / application to **poleary@perfprint.ca** no later than April 28, 2010.
