Make a difference - choose FSC!

Choose FSC - the highest level of quality assurance

FSC is an independent, non-governmental, not-for-profit organization that promotes responsible management of the world's forests.

FSC products are made from wood, bamboo and other natural fibers. They are produced using state-of-the-art technology and are certified to meet the highest standards of environmental, social and economic performance.

FSC products are made from wood, bamboo and other natural fibers. They are produced using state-of-the-art technology and are certified to meet the highest standards of environmental, social and economic performance.

FSC - The highest level of quality assurance

FSC is the only international, nongovernmental, not-for-profit organization that promotes responsible management of the world's forests.

Buy responsibly - buy FSC!

Choose everything made from wood and other natural products to be certified by the FSC.
